We develop and create strong branch identity's for our clients and the attention to detail and Quality was key on this project. Quest met this and beyond !

Eight Inc
 April 2019

Working within the newly completed CAT A building, Quest worked with Eight Inc to develop and delivery there new London Office.

The completed project allowed suitable areas for collaborative working whilst also promoting the Eight Inc Brand. The project included sourcing the furniture and delivering a fully completed project on time and budget.
