

Gym Refurbishment Private

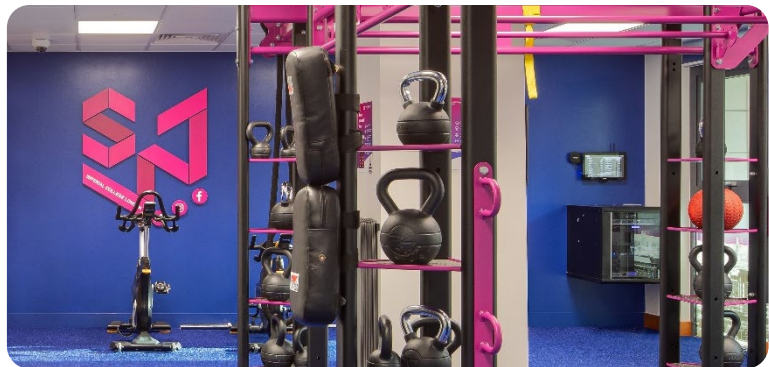

Stage: RIBA Stage 3 to Completion **Project Value:** Undisclosed
Location: London **Completion:** January 2021
Sector: Education Estates

Trusted and delivered, is what Quest interiors gave to this project and we thank them for this and there continues professional support.

Private Client
Feb 2021

Quest were asked by a key client to assist in delivering a new breakout and gym space for these students and staff. The project needed a collaborative team to work in unison with the gym equipment supplier and branding.

During the project the existing pool and gym space needed to space open and so a strong protective bubble was needed around the project to ensure this. Quest team ensured 24hr communication was given to the staff on site and daily briefing on works scheduled.
