

Healthcare Refurbishment Private

Stage: CONCEPT
Location: London
Sector: Healthcare

Project Value: Undisclosed
Completion: December 2020

Quest have been on our supply chain for some 15 years and also go the extra mile for us.

Private Client
January 2021

We were asked by our client to develop a more cost affective healthcare bedroom solution, to which could be rolled out in 2021. The key targets where to ensure it met the current healthcare standards and guidelines whilst offerings a suitable budget cost.

Quest have been delighted to be involved with this project and look forward to taking to reality!
