Strong Communication and positive approach to a project which was challenging due to its location.

Regents University,  
September 2019

Quest were appointed to fully refurbish the 2<sup>nd</sup> floor of the University's Tuke Building to create new teaching rooms. Works were completed during term with access provided using scaffolding to stay out of the main student thoroughfares.

New roof sky lights were installed, and decoration was completed with new LED lighting and power/data services.
