

Warehouse Refurbishment Private

Stage: RIBA Stage 3 to Completion **Project Value:** Undisclosed
Location: Bristol **Completion:** June 2020
Sector: Commerical

Your organisation continues to provide an excellent service to our team on projects, to which during this year was even more appreciated and acknowledged.

Private Client
July 2020

Quest complete many warehouse refurbishments, from replacement roofs to complete overhauls. This project in Bristol was completed during the COVID-19 pandemic and needed a strong team on site and communication to the client.

The project included a complete internal strip out including asbestos, new roof and floor. The project was completed in budget and programme.
